

Graph of the Week

Name _____

October _____ 2024

Analyze the graphs below and write a reflection on what you think the graphs are communicating to you. To guide you with your response, start with some observations.

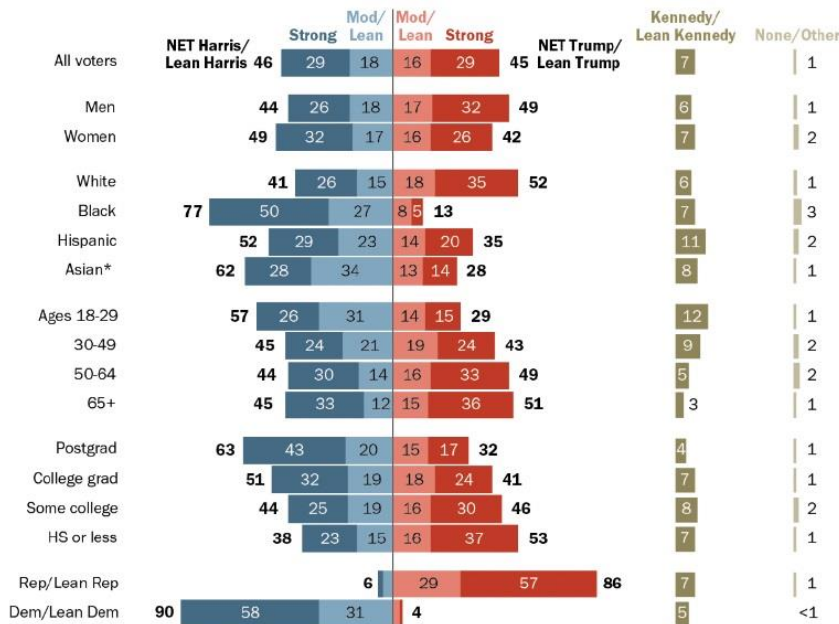

- What is the topic of the graph?
- What quantities are being compared?
- What are some observations that you can make based on the graphs?
- What surprises you about the graph? What do you wonder?
- What do you foresee happening in the next 10 years?

Questions to ask when reading graphs:

- Is there an upward or downward trend?
- Are there any sudden spikes in the graph?
- What is being compared in the graph?
- What prediction can I make for the future?
- What inferences can I make about the graph?

Black, Hispanic, Asian and younger voters back Harris by large margins, while Trump leads among older voters and those without a bachelor's degree

% of registered voters who say that if the 2024 presidential election were held today, they would vote for ...

* Estimates for Asian voters are representative for English speakers only.
 Note: Based on registered voters. White, Black and Asian voters include those who report being only one race and are not Hispanic. Hispanics are of any race. No answer responses are not shown.
 Source: Survey of U.S. adults conducted Aug. 5-11, 2024.

PEW RESEARCH CENTER

The economy is the top issue for voters in the 2024 election

% of registered voters who say each is **very important** to their vote in the 2024 presidential election

Note: Based on registered voters.
 Source: Survey of U.S. adults conducted Aug. 26-Sept. 2, 2024.
