Graph of the Week 3PA **Name**_____

Date_____

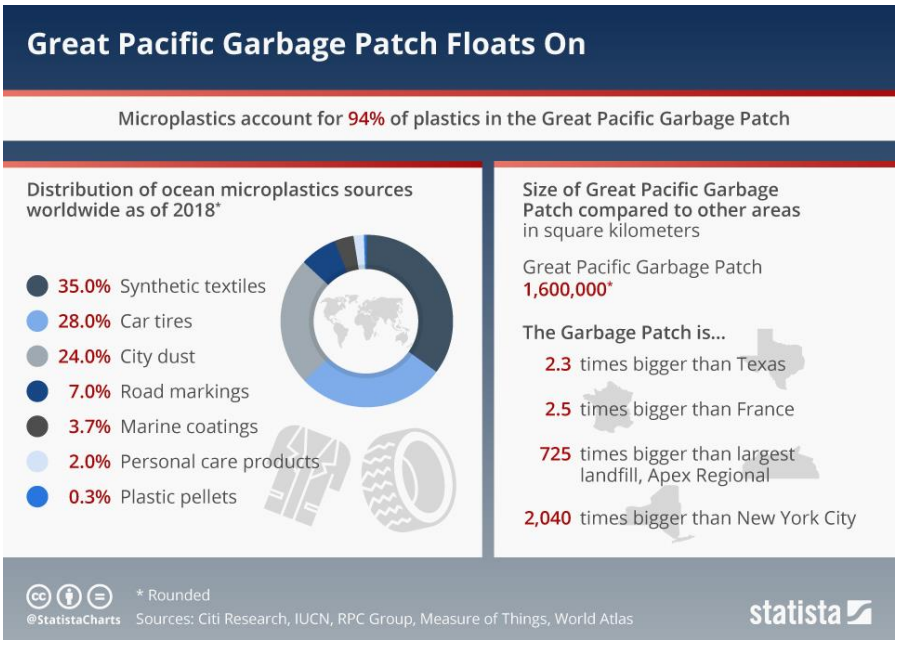
Analyze the graphs below and write a reflection on what you think the graphs are communicating to you. To guide you with your response, start with some observations.

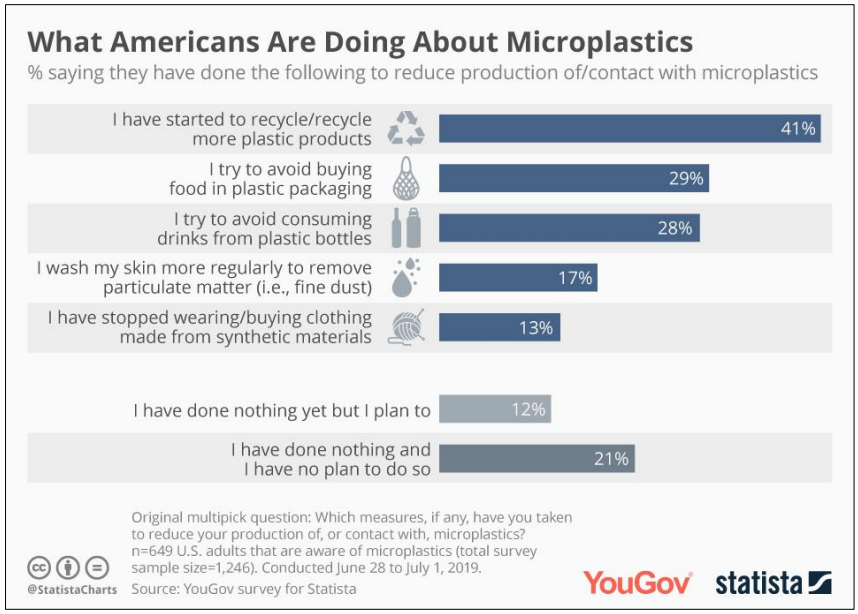
- What is the topic of the graph?
- What quantities are being compared? If there are x- and y- axes, what do they represent?
- What are some observations you can make based on the graph?

Questions to ask when reading graphs:

- Is there an upward or downward trend?
- Are there any sudden spikes in the graph?
- What is being compared in the graph?
- What prediction can I make for the future?
- What inferences can I make about the graph?

A. Analysis





B. What can you foresee happening in the near future?

C. Based on your response in part B, what solution(s) can you investigate or what other information/resources can you gather to strengthen your argument?

Make an illustration or represent the data in your own way in the space below:
